Guidelines for Abstract

The author (researcher) should submit an abstract file (paper summary) through our online system before the abstract submission deadline. Use the abstract writing template to submit the abstract file. The submitted abstract should not exceed 300 words. The abstract should clearly state the purpose, results, and conclusions of the work to be described in the final paper.

Document: No more than one page in length.

Paper Title: Provide a short descriptive title of no more than 20 words. Format: Times New Roman, 18-point font, bold, centered. (Do not write the heading "Paper Title")

Sub-theme: Mention the subtheme of the conference that is most relevant to your paper title.

Format: Times New Roman, 11-point font, centered.

Authors' Names Format: Times New Roman, 11-point font, bold, centered. (Do not write the heading "Authors' Names")

Authors' Affiliations: Affiliations should include the academic title, university/institution name, city, and country, but not the postal address.

When more than one author is listed, use superscript letters to match authors and affiliations. One affiliation should be given per line, prefixed with the relevant superscript letter.

Format: Times New Roman, 11-point font, centered.

Co-Authors' Names: Include title, first name in full, middle initial, and family name in full.

Format: Times New Roman, 11-point font, bold, centered.

Co-Authors' Affiliations: (same as authors' affiliations)
